

## **Walter Glannon**

(May 2022)

Department of Philosophy  
University of Calgary  
2500 University Dr. NW  
Calgary, AB, T2N 1N4, Canada  
Email: [wglannon@ucalgary.ca](mailto:wglannon@ucalgary.ca)

### **Professional Status**

Professor of Philosophy, University of Calgary (Emeritus, 2021)

### **Education**

PhD in Philosophy, Yale University, November 1995. Dissertation: *Responsible Persons*

MA in Philosophy, Yale University, April 1993

PhD in Spanish Literature, The Johns Hopkins University, May 1982. Dissertation: *The Development of Unamuno's Ethics*

MA in Spanish Literature, The Johns Hopkins University, May 1979.

BA (*magna cum laude*) in Philosophy and Spanish Literature, Duke University, May 1977

### **Areas of Specialization**

Bioethics, Neuroethics, Philosophy of Mind

### **Employment Experience**

Professor of Philosophy, University of Calgary, January 2014-December 2020

Canada Research Chair in Medical Bioethics and Ethical Theory, University of Calgary, January 2006-December 2010

Associate Professor of Philosophy, University of Calgary, January 2006-December 2013

Associate Professor, Community Health Sciences, University of Calgary, January 2006-December 2010

Assistant Professor, W. Maurice Young Centre for Applied Ethics, University of British Columbia, September 2002-December 2005

Clinical Ethicist, Children's and Women's Health Centre of British Columbia, September 2002-December 2005

Assistant Professor, Biomedical Ethics Unit, Faculty of Medicine, McGill University, January 2000-August 2001

Clinical Ethicist, Jewish General Hospital, Montreal, January 2000-May 2001

Senior Fellow, Institute for Ethics, American Medical Association, Chicago, IL, September 1998-June 1999

Lecturer in Philosophy, University of Calgary, September 1997-April 1998

Killam Postdoctoral Fellow, Centre for Applied Ethics, University of British Columbia, July 1995-June 1997

Assistant and Associate Professor of Spanish Language and Literature, Smith College, September 1983-June 1993 (tenured 1989)

### **Other Professional Experience and Service**

- Western Canadian Philosophy Association Conference Planning and Review Committee, 2018
- Delphi Panel on Mind, Brain and Education, Tracey Tokuhama-Espinosa, Principle Investigator, Harvard Extension School, 2016-2017.
- Supervisor of Johann Roduit, PhD, University of Zurich, Swiss National Science Foundation International Short Visit, December 21, 2015-February 29, 2016.  
Project Title: “Science Fiction and the Ethics of Human Enhancement”
- Undergraduate Studies Committee, Philosophy, University of Calgary, 2007-2008
- Graduate Studies Committee, Philosophy, University of Calgary, 2008-2012, 2014-2017
- Graduate Preliminary Exam Committee (Ethics), Philosophy, University of Calgary 2015-2017
- Graduate University Scholarship Committee, University of Calgary, 2015
- Advisory Committee, Montreal Neuroethics Network for Young Researchers, Institute de recherches cliniques de Montreal, April 2015
- Workshop Participant, “Vulnerability in Deep-Brain Stimulation for Treatment-Refractory Depression,” Institut de recherches cliniques de Montreal, September 27, 2012
- Seminar Leader, “Consciousness and Neuroethics: Brain, Body, Mind and Environment Interactions” Regina Apostolorum Pontifical University, Rome, Italy, May 2-4, 2012.
- Co-Investigator, New Emerging Team Research Group, “States of Mind: Emerging Issues in Neuroethics” funded by the Canadian Institutes of Health Research (CIHR), 2006-2011. Principal Investigator Francoise Baylis
- Collaborator, CIHR Project “Patient and Caregiver Perspectives of Ethical and Social Issues in Deep-Brain Stimulation for Neuropsychiatric Disorders,” 2012-2014. Principal Investigator Eric Racine.
- Abstract Review Committee for “Brain Matters I (Halifax, 2009)
- Abstract Review Committee for “Brain Matters II (Montreal, 2011)
- Abstract Review Committee for “Brain Matters III (Cleveland 2012)
- Workshop Participant, “Neuroscience and Responsibility,” Technical University of Delft, The Netherlands, February 10-12, 2010.
- Conference Planning Committee, “Brain Matters: New Directions in Neuroethics,” Halifax, September 2009.
- Organizer and moderator of a CIHR-funded workshop on free will and neuroscience, Banff, Alberta, May 9-10, 2008.

### **Reviewer of Applications for Tenure, Promotion and other Appointments:**

- Veljko Duljevic, PhD, Tenure and Promotion to Associate Professor, Department of Philosophy and Religious Studies, North Carolina State University
- L. Syd. M. Johnson, PhD, Michigan Technological University (Humanities), Tenure and Promotion to Associate Professor, 2016. Tenure and Promotion to Associate Professor, Center for Bioethics and Humanities, SUNY Upstate Medical University, January 2020.
- Tom Douglas, DPhil, appointment to Research Professor, Ghent University, May 2017, and promotion to Professor, University of Oxford, March 2018.

Fabrice Jotterand, PhD, Medical College of Wisconsin (Medical Ethics), Tenure and Promotion to Associate Professor, September 2016  
 Charles Weijer, MD, Western University, appointment to the Royal Society of Canada, March 2016  
 Michael Hauskeller, PhD, University of Exeter, UK (Philosophy), Promotion to Personal Chair, 2015; Appointment as Head of Philosophy, University of Liverpool, February 2017  
 William Kasabanche, PhD., Washington State University (Philosophy), Tenure without Promotion to Associate Professor, May 2012  
 Christine Harrison, PhD Hospital for Sick Children, Toronto (Clinical Medical Ethics), Tenure and Promotion to Associate Professor, October 2006  
 Marilyn Rugg, PhD, Colgate University (Spanish Literature), Tenure and Promotion to Associate Professor, July 1991

### **Internal and External Examiner for MA Theses and PhD Dissertations**

Syed Husaini, PhD Dissertation, “Consciousness,” Institute for Medical Humanities, University of Texas Medical Branch, Galveston, TX, January 20, 2022  
 Andrew Peterson, PhD Dissertation, “Assessing Decision-Making Capacity after Severe Brain Injury,” Philosophy, University of Western Ontario, July 5, 2016  
 Samantha Copeland, PhD Dissertation, “The Case of the Triggered Memory: Serendipitous Discovery and the Ethics of Clinical Research, Philosophy, Dalhousie University, September 4, 2015  
 Gordon Cooper, MA Thesis, “The Luck Objection to Libertarianism,” Philosophy, University of Calgary, May 22, 2015  
 Luca Casartelli, PhD Dissertation, “Motor Cognition and Neuroepistemology,” Philosophy/Bioethics, University of Geneva, November 11, 2014  
 Tess Murphy, MA Thesis, “Mora Obligation, Luck and Alternative Possibilities,” Philosophy, University of Calgary, December 6, 2012  
 Elske Straver, MA Thesis, “The Nature of Belief,” Philosophy, University of Calgary, August 15, 2008

### **Administrative, Editorial and Committee Work**

Editorial Boards: *AJOB-Neuroscience*; *Neuroethics*; *Springer Book Series: Advances in Neuroethics*  
 Scientific Review Committee, University of Toronto Joint Centre for Bioethics, 2007  
 Peer Reviewer for Canada Research Chairs, January 2006-December 2010  
 Acting Director of Undergraduate Medical Ethics Education, University of Calgary, Faculty of Medicine, August-December 2006  
 Member of Forum Recommendations Group, Canadian Council on Organ Donation and Transplantation, Forum on Donation after Cardiocirculatory Death, Vancouver, February 17-20, 2005.  
 British Columbia Children’s Hospital Ethics Committee, September 2002-December 2005 (Chair, September 2003-December 2005)  
 British Columbia Women’s Hospital Ethics Committee, September 2002-December 2005  
 Mortality Review Committee, British Columbia Children’s and Women’s Hospital, January 2003-December 2005

Research Ethics Committee, Jewish General Hospital, Montreal, January 2000-May 2001  
 Clinical Ethics Committee, Jewish General Hospital, January 2000-May 2001 (Chair  
 September 2000-May 2001)

Director, Master's Specialization in Bioethics, Biomedical Ethics Unit, McGill  
 University, September 2000-August 2001

Chair, Department of Spanish and Portuguese, Smith College, April 1991-March 1993

### **Reviewer for Journals, Book Publishers and Funding Agencies**

*Academic Press/Elsevier, American Journal of Bioethics—Neuroscience, American Journal of Bioethics—Primary Research, American Journal of Pharmacogenomics, American Journal of Transplantation, American Philosophical Quarterly; Archives of Internal Medicine; Brain Topography; Bioethica Forum; Bioethics; BMC Medical Ethics; British Medical Bulletin; Cambridge Quarterly of Healthcare Ethics; Cambridge University Press (US and UK); Canadian Journal of Philosophy; Canadian Philosophical Association Annual Conference; Criminal Law and Philosophy; Critical Care Medicine; Developing World Bioethics; Diametros; European Archives of Psychiatry and Clinical Neuroscience; Frontiers in Neuroscience; Frontiers in Integrative Neuroscience; Frontiers in Systems Neuroscience; Foundation for Polish Science; Ghent University Research Council; International Journal of Law and Psychiatry; Journal of Applied Philosophy; Journal of Medical Ethics; Journal of the American Philosophical Association; Journal of Philosophy; Law and Philosophy; Leverhulme Trust; McGraw-Hill Publishers; Medicine, Health Care & Philosophy; Milbank Quarterly; Mind; MIT Press; The Lancet; The Lancet Neurology; Monist; Moody Foundation (Texas); Netherlands Organization for Scientific Research; Neuroethics; Journal of Neurosurgery; Oxford University Press (US, UK, Canada); Pediatrics & Child Health; Pharmaceutical Medicine; Philosophical Psychology; Philosophy, Ethics and Humanities in Medicine; Philosophy, Psychiatry & Psychology; Polity Press; Progress in Neurobiology; Public Affairs Quarterly; Routledge Taylor & Francis Publishers; Science; Science and Engineering Ethics; Springer Publishers; Swiss National Science Foundation; Synthese; Templeton Foundation; Theoretical Medicine and Bioethics; Trends in Cognitive Sciences; UCL(University College London) Press; Wellcome Trust; Western Canadian Philosophical Association Conference; Westview Press, World Neurosurgery*

### **Teaching Experience**

Philosophy and Neuroscience,” winter 2016, University of Calgary, Department of  
 Philosophy

“Ancient Philosophy,” fall 2015, fall 2016, fall 2018, University of Calgary, Department  
 of Philosophy

“Wittgenstein,” fall 2014, University of Calgary, Department of Philosophy

“Neuroscience: History, Philosophy, Society and Ethics,” University of Calgary, BSc  
 Program in Neuroscience, fall 2010--2013 (team taught with Keith Sharkey,  
 Andrew Bullock, Frank Stahnisch and Manuel Bulliger)

“Advanced Topics in Philosophy of Law: Neuroscience and Law,” fall 2013, University  
 of Calgary, Department of Philosophy

“Advanced Topics in Philosophy of Mind: Consciousness,” fall 2012, University of Calgary, Department of Philosophy

“Death: Metaphysical and Ethical Issues,” University of Calgary, Department of Philosophy, fall 2011, 2012, 2016, 2019

“Morality, Virtue, and Society,” University of Calgary, Department of Philosophy, winter 2011

“Bioethics,” University of Calgary, Department of Philosophy, winter and fall 2007, fall 2008, 2010, 2011, 2013, 2014, 2015, 2018 and 2019, winter 2015 and 2016

“Neuroethics,” Graduate/Undergraduate Seminar, University of Calgary, Department of Philosophy, winter 2006 and 2011 terms

Medical Student Teaching (lectures and small-group case-based discussions), University of Calgary, Faculty of Medicine, January 2006-January 2010

Clinical Ethics Rounds for Neurology Residents, University of Calgary, Faculty of Medicine Fall 2007-Winter 2010 (bi-monthly)

Clinical Ethics Rounds for Maternal-Fetal Medicine, Medical Genetics, Obstetrics and Gynecology, Pediatric Residents, Pediatric Nephrology, Neurology, Oncology/Hematology, Psychiatry, Psychology, and Perinatology at British Columbia Children’s and Women’s Health Centre and Sunny Hill Health Centre, 2002-2005

Ethical Issues in Palliative Care and HIV-AIDS, St. Paul’s Hospital, Vancouver, BC, June 2-9, 2003

University of British Columbia Mini-Med School, Research Ethics, April 2003

Lectures on Research Ethics for Medical Students, University of British Columbia Faculty of Medicine, fall 2002-spring 2003

Seminar on Bioethical Theory, Biomedical Ethics Unit, McGill University, Fall 2000

Seminar on Genetics and Ethics, Biomedical Ethics Unit, McGill University, winter 2000.

Internal Medicine Resident Ethics Rounds, Jewish General Hospital, Montreal, February 2000-February 2001 (monthly)

Ethics Section Leader, Institute for Ethics, American Medical Association, September-December 1998

Bioethics, University of Calgary, Department of Philosophy, Fall 1997 and Winter 1998

Contemporary Moral Problems, University of Calgary, Department of Philosophy, Winter 1998

Ancient Philosophy and Ethics, Yale University, Department of Philosophy (Teaching Assistant), fall 1993 and spring 1994

Spanish Language and Literature, Smith College, September 1983-May 1993

Spanish Language and Literature, The Johns Hopkins University, September 1982-May 1983

### **Directed Studies**

Undergraduate:

Jordan Erlandson, “Abortion and the Non-Identity Problem,” University of Calgary, Winter 2015

Graduate:

Brayden Mills-Smith, “Addiction,” University of Calgary, Fall 2016

Postdoctoral:

Johann Roduit, PhD, “Enhancement and Posthumanism,” University of Calgary, Winter 2016

### **Graduate Supervision**

Maya Goldenberg (BA), Master’s Bioethics Program, Philosophy, McGill University MA Thesis: “The Discourse of Bioethics,” completed October 2001.

Dominique Robert (RN) Master’s Bioethics Program, Experimental Medicine, McGill University. MSc Thesis “Humane Bioethics,” completed October 2001)

Fabian Ballesteros (MD), Master’s Bioethics Program, Experimental Medicine, McGill University. MSc Thesis: “Sanctity of Life,” completed November 2001.

Natalie Bandrauk (MD), Master’s Bioethics Program, Experimental Medicine, McGill University. MSc Thesis: “Medical Futility,” completed August 2002.

J. David Guerrero (MA), Philosophy, University of Calgary (co-supervisor with Dr. John Baker), PhD Dissertation: “Valuing Concepts of Health and Disease,” completed August 2011.

Kiran Pohar Manhas (MSc), Medical Science, University of Calgary (co-supervisor with Dr. Ian Mitchell). PhD Dissertation: “The Ethics of Home Care for Ventilator-Dependent Children,” completed June 2011.

Raymond Aldred (BA), Philosophy, University of Calgary, MA Thesis: “Broadening the Boundaries of Agency: Cognitive Disability, Agency, and Autonomy,” completed July 2013

Ying-Tung Lin (MA), Philosophisches Seminar, Johannes Gutenberg-Universität, Mainz, Germany, PhD Thesis: “Conceptual and Normative Issues of Memory Enhancement,” (co-supervisor with Dr. Thomas Metzinger), completed July 2014

Brayden Mills-Smith (BA), Philosophy, University of Calgary, MA Thesis: “Addiction as an Excuse,” completed April 2017

Justin Caouette (BA, MA), Philosophy, University of Calgary, PhD Dissertation, “Assessing the Moral Evaluations of Pharmacological Enhancements,” completed May 2018

### **Awards and Fellowships**

Student Union Teaching Excellence Award, University of Calgary, March 2017

Fellow of The Hastings Center (elected March 2016)

John P. McGovern, M.D., Memorial Award in the Medical Humanities (lecture), Institute for Medical Humanities, University of Texas Medical Branch, Galveston, TX, February 6, 2012

Visiting Research Fellow, Brocher Foundation, Geneva, Switzerland, May 1-31, 2011 and April 1-30, 2013

John Templeton Foundation Fellowship, “Diminishing and Enhancing Free Will,” 2011-2014.

Visiting Scholar, Institute for the Medical Humanities, University of Texas Medical Branch, Galveston, TX, February 2012.

Canada Research Chair in Medical Bioethics and Ethical Theory, Tier 2, Canadian Institutes of Health Research, University of Calgary, January 2006-December 2010.

Senior Fellow, Institute for Ethics, American Medical Association, Chicago, IL,  
September 1998-June 1999

Clinical Ethics Fellow, MacLean Center for Clinical Medical Ethics, University of  
Chicago School of Medicine, September 1998-1999

Killam Post-Doctoral Fellow, Centre for Applied Ethics, University of British  
Columbia, July 1995-June 1997

### **Guest Editor**

*International Journal of Law and Psychiatry* 65, July/August 2019. Special Thematic  
Issue on “Neuroscience, Law and Ethics” in honor of the work of Laurence  
Tancredi

*Journal of Ethics in Mental Health* 2 (2), December 2007. Special Thematic Issue on  
“Neurodiversity”

### **Publications**

#### **Books**

*The Ethics of Consciousness*, Cambridge University Press, 2022 (Cambridge  
Elements Series)

*Neural Prosthetics: Neuroscientific and Philosophical Aspects of Changing the Brain*,  
Oxford University Press, 2021

*The Neuroethics of Memory: From Total Recall to Oblivion*. Cambridge University Press,  
2019

*Psychiatric Neuroethics: Studies in Research and Practice*, Oxford University Press,  
*International Perspectives in Philosophy & Psychiatry* Series, 2019.

*Free Will and the Brain: Neuroscientific, Philosophical and Legal Perspectives* (ed.).  
Cambridge University Press, 2015.

*Brain, Body, and Mind: Neuroethics with a Human Face*, Oxford University Press, 2011.

*Bioethics and the Brain*, Oxford University Press, US, 2007. Winner, CHOICE  
Outstanding Academic Title for 2007

*Defining Right and Wrong in Brain Science: Essential Readings in Neuroethics* (ed.),  
Dana Press, 2007.

*Biomedical Ethics*, Oxford University Press, 2005 (Fundamentals of Philosophy Series)

*The Mental Basis of Responsibility*, Ashgate, 2002 (Republished by Routledge, Taylor &  
Francis, 2018).

*Contemporary Readings in Biomedical Ethics* (ed.), Wadsworth, 2002

*Genes and Future People: Philosophical Issues in Human Genetics*, Westview Press,  
2001 (Republished by Routledge, Taylor & Francis, 2018)

#### **Books Under Contract**

*The Neurodynamic Soul*, co-authored with Grant Gillett, Palgrave-Macmillan, New  
Directions in Philosophy and Cognitive Science Series

*Immune Ethics*, Cambridge University Press, Elements Series

*Neuroethics: An Introduction*, MIT Press

## **Presentations**

- “Comments on “Mapping the Emerging Legal Landscape for Neuroprostheses,” by T. Akmazoglu and J. Chandler. Conference on Neurotechnology, Criminal Law and Human Rights: Interdisciplinary Perspectives, University of Sydney Law School, December 13, 2021
- “The Value and Disvalue of Consciousness,” Bioethics Lecture Series, University of Calgary, December 2, 2019.
- “Philosophical Implications of Memory,” Philosophy Colloquium, University of Calgary, November 20, 2019.
- “Brain Implants to Erase Memories,” Frontiers Spotlight Conference: “Augmenting Brain Function, Lausanne, Switzerland, September 20, 2018
- “Cognitive Enhancement,” Russell and Robert Moody Lecture Series, “Birth, Life and Death of the Brain,” Galveston, TX, February 7, 2018 (Some of the ideas in this presentation have been discussed by W. Winslade and H. Taylor in *How to Make the Most of Your Mind: Using Your Brain, Body and Environment to Improve the Quality of Your Life*, New York: Thompson and Treanor, 2020).
- “Insight and Psychiatric Disorders,” Institute for Medical Humanities, Galveston , TX, February 6, 2018
- “The Evolution of Neuroethics,” Clinical Neurosciences Grand Rounds, Dr. Keith Brownell Lecture in Neurology, University of Calgary, May 26, 2017
- “Are We Underestimating the Risk in Living Kidney Donation?” 28<sup>th</sup> Annual Fellows Conference, MacLean Center for Clinical Medical Ethics, University of Chicago, November 11, 2016
- “Moral Enhancement as a Collective Action Problem,” University of Exeter, UK, July 6, 2016
- “Ethical Issues in Neuroenhancement,” Annual Seminar Series (Neuroethics), MacLean Center for Clinical Medical Ethics, University of Chicago, November 4, 2015
- “Manipulating Memory: Philosophical and Legal Issues,” Department of Philosophy, Dalhousie University, September 4, 2015.
- “Moral Enhancement,” Annual Conference of the Italian Neuroethics Society, Padua, Italy, May 16, 2015.
- “Cognitive Enhancement,” Montreal Neuroethics Conference for Young Researchers, Institut de recherches cliniques de Montreal, April 17, 2015
- “Ethical Issues in Neural Transplantation,” Transplant Ethics Forum, Vancouver General Hospital, November 21, 2014.
- “Probing and Modulating the Brain: Philosophical Reflections on Functional Neurosurgery,” University of Zurich Hospital, November 12, 2014
- “The Legal Implications of Neural Prosthetics,” Atlanta Neurolaw Conference, September 13, 2014.
- “Implications of Neuroscience for Moral and Legal Responsibility,” Neuroethics Network Meeting, Paris, June 19, 2014.
- “Neuroskepticism,” 69<sup>th</sup> Annual Meeting of the Ogden Surgical-Medical Society, Ogden, Utah, May 16, 2014.
- “The Moral Insignificance of Death in Organ Donation,” University of Illinois, Chicago, College of Medicine Medical Ethics Lecture Series, March 5, 2014

- “What Strokes Can Tell Us about Consciousness” Poster Presentation, second author with Michel Shamy, Canadian Stroke Conference, Montreal, October 17, 2013
- “Neuromodulation for Disorders of the Will,” Department of Philosophy, University of Turku, Finland, April 29, 2013.
- “Manipulating Memory,” Workshop on the Future of Neuroenhancement: Morality, Memory & Love, Institut fur Ethik, Geschichte und Theorie der Medizin, Muenster, Germany, April 21, 2013.
- “Enhancing the Will,” MinD-Symposium on Cognitive Enhancement and Brain Training, Muenster, Germany, April 19, 2013.
- “The Neuroscience and Ethics of Manipulating Memory,” Brocher Foundation, Hermance, Switzerland, April 9, 2013.
- “Prostheses for the Will: Implications of Neuromodulation for Autonomy and Identity,” Division of Medical Ethics, Weill Cornell Medical College, New York City March 21, 2013.
- “Author Meets Critics: *Brain, Body and Mind: Neuroethics with a Human Face.*” with Craig Klugman and William Winslade, Annual Meeting of the Association for Professional and Practical Ethics, San Antonio, TX, March 2, 2013.
- “The Ethical Significance of Consciousness,” Apeiron Society for the Practice of Philosophy, Calgary, October 2, 2012.
- “Neuromodulation, Agency, and Autonomy,” Symposium “Changing the Brain, Changing Society: Clinical and Ethical Implications of Neuromodulation Techniques in Neurology and Psychiatry,” University of Geneva Neuroscience Center and Brocher Foundation, Geneva, Switzerland, June 14, 2012
- “How Conscious Must the Will Be to Be Free?” Institute for Biomedical Ethics, University of Geneva, June 12, 2012.
- “Consciousness and Neuroethics: Brain, Body, Mind and Environment Interactions” Regina Apostolorum Pontifical University, Rome, May 2-4, 2012.
- “Neuroscience and Psychopathy,” Montreal Neuroethics Network, Institut de recherches cliniques de Montreal, March 29, 2012.
- “Neuroscience and Criminal Responsibility,” Health Law Ethics Seminar, Health Law and Policy Institute, University of Houston Law School, February 9, 2012.
- “Neuroscience, Free Will, and Moral Responsibility,” Plan II Honors Program Public Lecture, University of Texas, Austin, TX, February 8, 2012.
- “Consciousness, Mind, and Personhood,” Bioethics Seminar, University of Texas, Austin, February 8, 2012.
- “Consciousness and the ‘Location’ of the Mind,” Institute for Medical Humanities, University of Texas Medical Branch, Galveston, February 7, 2012.
- “Neuroscience and Criminal Responsibility,” John P. McGovern Memorial Award Lecture in the Medical Humanities, Institute for the Medical Humanities, University of Texas Medical Branch, Galveston, TX, February 6, 2012.
- “The Ethical Significance of Consciousness,” Symposium on Chronic Disorders of Consciousness,” Ludwig-Maximilians-Universitat, Munich, Germany October 26, 2011.
- “Neuropsychiatric Aspects of Enhancing the Will,” Neuroethics Conference:

- Neuroenhancement, Johannes Gutenberg Universitat, Mainz, Germany, July 7, 2011.
- “Dialogue in Neuroscience: Challenges and Strategies,” European Union Brains in Dialogue (BID) Final Conference, Brussels, July 6, 2011.
- “Promoting Communication and Education in Neuroscience,” Brains in in Dialogue (BID) Workshop, Brussels, July 5, 2011.
- “Ethical Issues in Organ, Tissue and Cell Transplantation,” Symposium Organized by the World Health Organization and Brocher Foundation, Hermance, Switzerland, May 15, 2011.
- “The Moral Insignificance of Death in Organ Donation,” Fondation Brocher, Hermance, Switzerland, May 5, 2011.
- “Persons, Brains, and Mental Illness,” W.F. Mitchell Bioethics Conference, Saskatoon City Hospital, November 19, 2010.
- “Consent to Psychiatric Neurosurgery,” American Society for Bioethics and Humanities 12<sup>th</sup> Annual Meeting, San Diego, CA, October 21, 2010.
- “Neurobiology, Decision-Making, and Criminal Responsibility,” CIHR-sponsored workshop on the Neurobiology and Ethics of Decision-Making, Jackson’s Point, Ontario, September 25, 2010.
- “Functional Neurosurgery and the Metaphysics of Mind,” CIHR-sponsored workshop on Ethical and Philosophical Issues in Functional Neurosurgery, Jackson’s Point, Ontario, September 23, 2010.
- “The Blessing and Burden of Biological Psychiatry,” International Network for Philosophy and Psychiatry Annual Conference, Manchester, UK, June 29, 2010.
- “Consent to Deep-Brain Stimulation for Neurological and Psychiatric Disorders,” Interdisciplinary Ethics Rounds, Faculty of Medicine, University of Calgary, April 14, 2010.
- “The Impact of Substance Abuse on the Transplant Candidacy Selection Process,” Transplant Ethics Forum, Vancouver General Hospital, December 8, 2009.
- “Measuring Success in Deep-Brain Stimulation,” Annual Meeting of the American Association of Neurological Surgeons, Las Vegas, December 5, 2009.
- “Neuroscience, Free Will, and Responsibility,” Plenary Lecture for the International Conference: *Brain Matters: New Directions in Neuroethics*, Halifax, September 25, 2009.
- “Educating Future Neuroscience Clinicians in Neuroethics: A Report of One Program’s Work-in-Progress (with Philippe Couillard and Keith Brownell), *Brain Matters* Conference, Halifax, September 25, 2009.
- “Neuroethics,” Program of European Neuroscience Schools (PENS), Summer School on Metabolic Aspects of Chronic Brain Diseases, Reisensburg, Germany, July 9, 2009.
- “What Neuroscience Can (and Cannot) Tell Us about Criminal Responsibility,” Law and Neuroscience Colloquium, University College London, July 6, 2009.
