**COURSE POLICIES**

I expect that the course will proceed in accordance with the course schedule. However, unforeseen contingencies, e.g., particular difficulty or ease with a section of the course, may necessitate changes in the content covered on the dates listed on the schedule.

**Attendance**

Attendance is not mandatory, but I do expect you to make every effort to be present at each session. Excepting extraordinary circumstances, I expect advance notice that you will be unable to attend class for an exam or to submit an assignment by the due date.

**How to Contact Me**

You can see me during my office hours or make an appointment to see me at some other time. If you wish to make an appointment, please contact me directly by telephone or E-mail. Perhaps the best way to reach me is through E-mail, which I typically check a number of times each day. I should also mention that I encourage you to offer me feedback about any aspect of the course — it is important for me to know how you think things are going, and to be flexible enough to adjust to your needs.

**IMPORTANT DEPARTMENTAL, FACULTY AND UNIVERSITY INFORMATION**

**Academic Accommodations**

It is the student’s responsibility to request academic accommodations according to the University policies and procedures. The student accommodation policy can be found at ucalgary.ca/access/accommodations/policy.

Students needing an Accommodation because of a disability or medical condition should communicate this need to Student Accessibility Services in accordance with the Procedure for Accommodations for Students with Disabilities: ucalgary.ca/policies/files/policies/procedure-for-accommodations-for-students-with-disabilities.pdf. Students needing an Accommodation in relation to their coursework or to fulfil requirements for a graduate degree, based on a protected ground other than disability, should communicate this need, preferably in writing, to their instructor.

**Absence or Missed Course Assessments**

Students who are absent from class assessments (tests, participation activities, or other assignments) should inform their instructors as soon as possible. Instructors may request that evidence in the form of documentation be provided. If the reason provided for the absence is acceptable, instructors may decide that any arrangements made can take forms other than make-up tests or assignments. For example, the weight of a missed grade may be added to another assignment or test. For information on possible forms of documentation, including statutory declarations, please see ucalgary.ca/pubs/calendar/current/m-1.html

Academic Misconduct/Honesty
Cheating or plagiarism on any assignment or examination is as an extremely serious academic offense, the penalty for which will be an F on the assignment or an F in the course, and possibly a disciplinary sanction such as probation, suspension, or expulsion.
